Senator Sharon Weston Broome - District 15

Welcome and thank you for visiting the Senate District 15 webpage! It's been said the "legislative service is one of democracy's worthiest pursuits." That's why I count it a privilege to serve as your voice in the legislative process.

This site provides district updates and information. Feel free to contact me or my staff via email or phone with your questions and suggestions. Let's keep the lines of communication open.

Senator Dorsey

Senator Yvonne Dorsey - District 14

I am humbly honored to serve the wonderful citizens of District 14 during a difficult time for our state. There are few of us whose lives have not been thrown into shadow by the catastrophes and worldwide economic storms of the last few years. They have brought with them winds of partisanship and panic against which I am pledged to speak out for cooperation, compassion and common sense.

The sun will shine again and I prefer to hope that when it does, Louisianians will look at one another and know that we did the right thing. We did not trample the poor to save the rich. We did not throw our youth into a sea of ignorance to save our pocket books. And we never forgot to take care of the sick or the elderly.

If there is anything I can do as a senator to help you, please let me know.

Straight from the heart,

Senator Yvonne Dorsey
