Mr. Jim Tucker:
Speaker of the House

Dear Mr. Tucker:
I am dismayed over the plan to create 4 minority districts in Shreveport leaving only 1 White. As you know the population is near 50-50%. **This cannot be fair**. Currently there are 3 minority and 2 White. The one White district being eliminated is, of course, a Republican district. I plead with you as a fellow Republican and as a fair person to use your considerable influence to kill this plan when it comes to the floor.
Regards,
J. C. Allen, Chairman
