Speaker Tucker,

As I stated earlier this afternoon the Jefferson Parish business community continues to strongly support you and our legislative group who continue to place Jefferson and its citizens first, and personal and political agendas second. At our request Rubye Noble provided a recap of the consensus that was reached following our call with President Young. To properly state our position, we strongly:

1. SUPPORT six East Bank majority Jefferson Parish House Districts - such as those drawn in "Plan C Preferred"

Rationale: This is the number of East Bank House districts currently in place (held by Reps. Henry, LaBruzzo, Ligi, Lopinto, Talbot and Willmott) The 2010 Census results support the retention of six East Bank Jefferson majority House seats in Jefferson Parish.

"Plan C Preferred", as drawn by GCR on behalf of the Parish, will retain six East Bank majority Jefferson Parish seats.

District 81 (Rep. LaBruzzo) would be retained in Metairie (Severn to Orleans Parish Line), and move south into some areas of Orleans Parish, this district would still be a majority Jefferson seat (64.3% Jefferson; 36.7% Orleans).

2. SUPPORT the West Bank House seats as they are currently proposed in House Bill 1 of the Special Session

Rationale: This would retain the four full Jefferson West Bank House Districts (held by Reps. Billiot, Connick, Jackson, and Tempalet).

Thank you for your consideration in this critical period in Jefferson's future.

Sincerely,  
Jefferson Business Council

Speaker Tucker,

This morning the JBC Executive Committee, representatives of Chamber, and other Jefferson business leaders met with President Young to discuss our interest in the current redistricting session. While you will receive additional input from our Council members, please note that the JBC is firmly in support of Jefferson Parish Plan C Preferred as the most equitable and effective plan offered for our community.

Sincerely,

David F. Andignac  
Executive Director  
Jefferson Business Council.
