Subject: Redistricting Caddo Parish

We have been informed that there has been a new minority district created for caddo parish eliminating Southern Hills as a majority district. We the citizens of Southern Hills are strictly opposed to this move and we want to encourage you to reconsider this action and return to the present districting make-up.

It seems to me that we already had half of our districts primarily black and half primarily white. The black lawyers have been very outspoken to accomplish what you have done but we are certainly not in favor of their agenda.
