Subject: Redistricting

Representative Tucker,

It is my understanding that a meeting was held February 17, in New Orleans, at Dillard University pertaining to new redistricting maps. I was not made aware of this meeting. The lack of adequate advertisement, especially to Jefferson Parish residents, and the fact the idea was first introduced at the meeting would be a primary reason for lack of opposition. I assure you there is enormous opposition to any such redistricting! This type of governance WILL NOT BE TOLERATED! I strongly urge you to rethink moving forward with any type of redistricting until the constituents of the 81ST District are well informed of this matter. I live in Jefferson Parish's 81ST district for a reason and will not be part of any district which includes any part of Orleans Parish!

Please introduce into the Official House Record that: "I am adamantly against any redistricting plan for the 81ST District that includes any part of Orleans Parish and any representation by any elected official from Orleans Parish."

Thank-You,
