Dear Speaker Tucker,

I am dismayed by the proposed amendment to carve up Carrollton and Uptown New Orleans. We are a cohesive area with sub-neighborhoods that all consider ourselves part of the Greater Carrollton Area. To carve us up and put us under the power to two separate representatives who would mostly be concerned with an entirely different parish is mystifying in its spite. Please oppose this, vociferously. Support our cohesive neighborhood and do not allow power brokering to weaken a true New Orleans community.

Thank you for your support.

Sincerely,
Pax Bobrow
