Dear Representative Tucker,
Please include my e mail in the record of the House Government Affairs Committee for review by the U.S. Department of Justice or any district court determining pre-clearance pursuant to the Voting Rights Act of 1965.

As a resident of Orleans Parish, I understand that because we have lost population, we must lose one or two state house representatives.

Orleans Parish should NOT lose 4 representatives. Amendments 203 and 248 would unnecessarily, unfairly, and disproportionately dilute African American voter representation. These amendments do not respect communities of interest and they are far from compact.

i am asking you to reconsider your support for HB1 and these amendments.

Sincerely,

Alex Mikulich
