

March 21 2011  
House Dist 81

Honorable Speaker Jim Tucker

I have received a letter from State Representative  
John La Brunzge telling me the possibility that  
public officials from New Orleans maybe  
representing to people of Metairie.

I am very apprehensive about this. New Orleans  
has many more problems than Metairie.  
I am strongly opposed to any representation  
by any officials from New Orleans.

Please do everything in your power to make  
sure that we receive no representation from  
officials from the City of New Orleans.  
I urge you, in the strongest way to stop this  
catastrophe immediately.
