Subject: Opposition to Amendment 248 to House Bill 1

Dear Rep. Tucker and Rep. Larusso,

It has just come to my attention through an e-mail blast that the Jefferson Parish legislative delegation is pushing a plan that would carve up Carrollton and parts of Uptown and place them in the legislative districts of Jefferson Parish. As a resident of the Uptown Triangle, I find this blatant political maneuvering totally unacceptable.

We are residents of Orleans Parish, not Jefferson Parish. Our needs are understood and served by the Parish in which we reside. We do not, nor do we wish, to live in Jefferson Parish.

At a time when we are experiencing growth, healing and sensible planning, to have representation by Jefferson Parish officials is cause for great concern. This has been presented as an amendment and is being politically expedited to achieve results that are unjustified and unfair.

I oppose Amendment 248 to House Bill 1 and hope that our neighborhoods can receive the representation they deserve.

Thank you for your consideration and hopeful action in our behalf.
