Subject: objection to HB1 as amended by Amendments 203 and 248

Dear Rep. Tucker:

Please include my email in the record of the House Government Affairs Committee, for review by the U.S. Department of Justice or any district court determining pre-clearance pursuant to the Voting Rights Act of 1965.

HB1, as amended by Amendments 203 and 248, dilutes voter representation of African-Americans unfairly and the proposed new districts are not compact and do not respect communities of interest, particularly the interest of the residents of the New Orleans East area of the City of New Orleans.

For that reason, I am asking that you reconsider your vote and support of HB1 with the amendments.

Sincerely,

Lois C. Davis
