To the Honorable Jim Tucker and Nick Larusso:

Please vote against the bill to include parts of Carrollton in Jefferson Parish in the redistricting plan. As a long-time resident of the Palmer Park neighborhood, I know that our end of Carrollton already gets lets representation and priority than other areas of Uptown. Assigning our neighborhood to a district represented by a Jefferson Parish legislator would not be in the best interests of our neighborhood and our concerns.

Thank you for your attention and consideration.
