Dear Chairman Gallot:

There are multiple "wrongs" in amendment #182.

This plan negates the community of interest in our Central Louisiana representative delegation. Amendment #182 stretches House District 25 in a way that ignores the principle of compactness.

It also has the potential of hurting Ft Polk, Louisiana's 2nd largest employer after state government.

The community of interest in Central Louisiana that has existed for decades is vital, not just to us, but to the State of Louisiana as a whole.

Please vote against Amendment 182.

Thank you for your consideration.

Greg
