Dear Speaker Tucker and Rep. Lorusso;

I am writing to express EXTREME opposition to Amendment 248 to House Bill 1. My husband and I live on Dominican Street, four blocks uptown from Audubon Park towards Jefferson Parish. As I understand it, our area would be lumped in with Jefferson Parish in the proposed amendment. This would leave us with NO representation, since our concerns and interests are with the city of New Orleans and not Jefferson Parish.

This whole redistricting is being done just to give more representation and power to the Republicans, who definitely do not have the best interests of the people at heart. If you had your way, the country would be a one party system. I want nothing to do with any of you.
