Dear Representatives,

I urge you to fight the effort to take yet another legislative seat from New Orleans, and to keep Bywater and the other historic neighborhoods in a distinct and cohesive district. **Please do NOT allow todays redistricting to divide the historic districts as they currently exist. This will be to the detriment of not only the Bywater neighborhood but the surrounding neighborhoods we have worked with for so long.** As a member of the Bywater Neighborhood Associations Board of Director's I can ensure you that keeping the Bywater in its current district is in the best interest of the neighborhood and its residents.

-Bethany
