Subject: redistricting.

Dear Mr. Tucker, we the people of the New Orleans area would like to express our deep disapproval of the methods you are taking to merge, and separation of our districts. If you continue to proceed with these unlawful acts you force the people of this area to go to the Department of Justice to have this process done fairly. As you already know the D.O.J is already investigating the city of New Orleans police department , and surrounding areas do you really want them to start looking into the dirty deeds of higher up political officials , maybe even you? So please reconsider your stand on the unlawful redistricting of this state.

Do you also realize that the revenue from the city of New Orleans support most of the state of La. , do you realize where New Orleans goes the rest of the state goes? do you understand that if you destroy the city of New Orleans your position as a La. politician is also in jeopardy? Is your hatred for black people that strong to where you would sacrifice yourself ? Please reconsider your position on the redistricting.....
