RE: Redistricting Southern Hills

Dear Mr. Speaker:

It has come to my attention that an effort is underway to "create" an additional minority district in Caddo Parish which would include Southern Hills.

Please know that the citizens of Southern Hills **oppose this plan in the strongest possible terms.**

We are a middle class area that is a mixture of races that have blended together.

I feel that in making Southern Hills a minority district would **divide** rather than enhance our community.

We play a significant role in the development of Shreveport from an economic and political perspective.

Please oppose this effort at all costs.

Thank you for your consideration.
