Subject: Redistricting

Dear Representative:

I am a resident of Caddo Parish and am greatly opposed to the creation of a fourth minority district in Caddo Parish. Caddo Parish has a larger white population than black. Currently our legislative delegation is split three-three. The creation of a fourth minority district would change our delegation to four-two which does not accurately reflect the population of Caddo Parish.

Please join us in opposing HB1 as long as Rep. Gallot's amendment is attached.

Sincerely,

Daniel Knotts
