Good morning,

Speaker Tucker  
Representative / Chairman Gallot  
Representative Templet

Good morning,

My name is Stephen Leonard and I am the President of the Terrytown Civic Association. I had sent an email to my members and encouraged them to request that Terrytown not be split in two understand that a number of them have emailed you regarding the potential of splitting Terrytown in the current special session for redistricting and all have spoken against it.

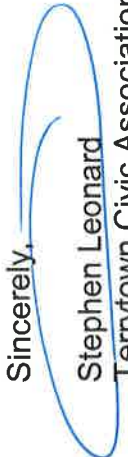

On behalf of all my members and board members, I wanted to follow up and ask that you do everything possible to keep Terrytown together. When Speaker Tucker first took over, he and former Rep Toomy helped to bring Terrytown together in the last redistricting. Many Terrytowners were very glad to be together and feel that this would be a step backwards or an unwinding of what has helped to bring this community together.

I hope you reconsider the affects of splitting Terrytown prior to any final decision.

Should you wish to talk to me about this, please feel free to email me back or call me at 504-914-2200.

Thank you for your consideration.

Sincerely,

  
Stephen Leonard
