Honorable Richard "Rick" Gallot, Jr.  
Louisiana House of Representative  
P. O. Box 1117  
Ruston, LA 71273

Dear Representative Gallot:

This letter comes in reference to the State's redistricting the boundaries of the House of Representatives which have the Parish and City of Natchitoches split down the middle of Cane River. The Natchitoches Parish Police Juror of District 1 would like to keep Natchitoches together because of its uniqueness in this area.

Natchitoches Parish historic value would be lost by this division. I, therefore, request to please keep our parish together as the center of influence in this part of the State.

With kindest regards, I am

Sincerely,

---

Gerald Longlois, President  
Natchitoches Parish Police Jury
