Rep Tucker,

I am a resident of the Carrollton section of New Orleans. I am definitely opposed to Amendment 248 to House Bill 1. It is ridiculous to think that a person from Jefferson Parish would know or care anything about Orleans Parish needs. We are talking apples and oranges. All you need to do is ask the Jefferson Representatives how often they come to the Carrollton or Uptown area of New Orleans. It will be obvious how much they know and care. It makes no sense. If you vote for this plan means you really don't care about the people.
