Dear Ladies and Gentlemen:

The Working Draft 1B - District No. 25 and District No. 30 as presently drawn could very possibly result in Vernon Parish not having a native in the legislature. This would be very unfortunate for our area and in my opinion, Ft. Polk, Louisiana, Louisiana's second largest payroll, second only to the state itself.

I would sincerely appreciate reconsideration being given that would not adversely affect our ability to have local representation of a homogeneous civilian/military community that is unique in the state of Louisiana. We know and understand the needs and desires of our military community and work and live with each other on a daily basis. It is critical that we have representation of this area from this area.

Your consideration is appreciated.

Sincerely,

Malcolm D. Morris
