I am writing to express my strong opposition to Amendment 248 to House Bill 1. Carrollton is a cohesive neighborhood that will suffer under this amendment - the result of which would be to seriously damage our right to fair representation. I firmly oppose redistricting that serves no purpose other than benefiting one or another political party or politician. Districts should be drawn to maintain fair representation for the majority of their neighborhoods and residents. Our neighborhood should not be lumped with Bucktown - a lovely neighborhood in its own right but with which Carrollton has little in common.

Please oppose this amendment.

Sincerely,

Erin P. Ribka, DVM
