Chairman Stefanski and Member of the House and Government Affairs Committee

I would like to introduce myself as the Town Clerk for the Town, Louisiana located within District 22. I have received information about the redistricting of Louisiana, and the future of Tullos, Louisiana. I work in the Town Hall in Tullos, and speak to citizens in our community daily. Tullos citizens along with citizens in our rural community located in District 22 find it important to maintain the alignment of District 22 keeping LaSalle Parish and Grant parish within the same district.

Representative Gabe Firment has demonstrated his unconditional support for Tullos, La and has always kept his word for remembering the Rural Communities and the citizens concerns. Representative Gabe Firment has earned the trust of Tullos, Louisiana and has always made sure to include Tullos, Louisiana to move our town into a positive direction.

I ask that you take into consideration the voices of the citizens in our community, and our support for Representative Gabe Firment, and to keep Tullos, Louisiana in LaSalle Parish with Grant Parish all within District 22.

Sincerely,

Jonna Souppa- Town Clerk

Town of Tullos
