Hi my name is Linda Paisant and I've been a resident of New Orleans for many years. I have travel to my State Capital to participate in a discussion regarding Louisiana redistricting . Because of our 200 strong showing today, the house decide to not discuss the issues that was on their agenda, instead to resume the next day at 5'o clock! I'm a members of the New Orleans NAACP branch ! I work in my community and I have four children that are registered voters ! I come from a family of twelve children! We all work in the community in some way! As a voter I don't think that we should have New Orleans and Baton Rouge to have the same congressional see we need at least two seats in Congress to represent our people! Thank you!
