Full Name: Stacye Bradford

Address: [REDACTED] Baton Rouge, LA 70809

My name is Stacye Bradford and I've been a resident of Louisiana for 57 years. I urge you to draw fair and equitable district lines across our state. There is no reason for Baton Rouge to be packed into the same district as New Orleans. To fairly represent the State of Louisiana, there must be additional Majority Minority congressional districts added. Surrounding parishes are showing similar increases in minority representation, making it high time for the Baton Rouge area and surrounding parishes to be in their own congressional district, separate from New Orleans.

Thank you for your service to Louisiana!
