Re: Redistricting of State Senate Seats on the Westbank of Jefferson Parish

Dear Representative Stefanski:

I am writing to you in my capacity as Chair of the Jefferson Parish Democratic Executive Committee. The Committee is vitally interested in the current redistricting process. At the Committee's regular January meeting held on January 18, 2022, the Committee voted to urge the Louisiana legislature to establish through redistricting a second majority-minority state senate district representing the Westbank of Jefferson Parish. It is the sense of the Committee that the demographics of the Westbank of Jefferson Parish fully support the establishment of a second majority-minority senate district.

Sincerely,

William R. "Trey" Mustian, III

Chair

Jefferson Parish Democratic Executive Committee
