 **Redistricting Legislation Info and Meetings Notifications**

Name	Linda Delaney 
Parish	St. Bernard
Describe the Nature of Your Message	GENERAL
Type your message here	It is unconscionable that the proposed redistricting does not include a second black majority district. It is BS that it would be harder for blacks to have a voice in the elections if there was a second district. That is just illogical. Blacks are a third of our state. They deserve a third of the districts.
