Regarding redistricting in my area. It is apparent that two legislative representatives are outside of the New Orleans East community.

Legislative Representative Raymond Garofalo Jr District 103 territory encompasses the New Orleans East area. This territory should be removed from District 103 jurisdiction and moved to District 100, presently represented by Legislative Representative Jason Hughes.

State Senator Sharon Hewitt, District 1, territory encompasses the New Orleans East area. This territory should be removed from District 1 jurisdiction and moved to District 4, presently by State Senator Jimmy Harris District 4.
