To whom it may concern:

My name is Pooja Prazid and I am a resident of St. Bernard Parish. I am emailing to request that the committee commit to a fair and transparent redistricting process. I hope you can commit to the following:

- 1) The new districts should keep parishes intact and honor shared interests and minimize geographic spread (unlike CD2 which splits New Orleans but somehow includes Baton Rouge).
- 2) Our process for drawing new electoral boundaries should be open for all citizens to observe, engage, and provide input.
- 3) The districts should represent the one person one vote principle.

I also support the formation of a second minority-majority district.

Thank you,
Pooja Prazid
