Chairman Stefanic, Chairwoman Hewitt, members of the committee, thank you for the opportunity to comment. My name is Shirley F. Adams and I have lived in Metairie for 55 years. I am a constituent of United States Representative Steve Scalise in Congressional District 1. I am a homeowner and I am a wife, mother and grandmother.

Based upon the recent Census and the fact that there has been a very small change in our state's population, I believe our Congressional district boundaries only need minor adjustments, no major changes. Boundaries are to be redrawn only if the Census shows a greater than 5% change. As this is not the case, and since after the last census our boundaries were approved by the Obama Justice Department as being compliant with voter representative guidelines please keep the boundaries as they currently exist. Our District is fair to all voting groups and it follows the laws of redistricting. Please keep it together and do not make any unnecessary changes.

Thank you.

Sincerely,  
Mrs. Shirley F. Adams  
Metairie, LA 70003
