Honorable Committee Members,

I am writing to request you make as few changes as possible to the representation currently serving St. Tammany Parish. I understand there are some trying to break up the current districts. I urge you to start with the current districts and making minimal changes.

I am specifically concerned with keeping all of St. Tammany in Congressional District #1. We are happy with our representation and want to see as few changes as possible.

Respectfully,

Stephanie Berault
