Chairman Stefanski and Members,

I know you have an immense task in front of you. I write today concerning the future of House District 22.

Historically, District 22 has consisted primarily of Grant and LaSalle Parishes. Given our socio-economic similarities, they are a good fit to be together in a single district. A portion of LaSalle was removed in the last redistricting, but the majority of the parish remains, as well as the entirety of Grant Parish. I believe it is vital to maintain the integrity of Grant Parish and our district.

I urge you to honor historical precedent and common sense, keeping Grant Parish intact and maintaining the integrity of House District 22. I believe Rep. Firment has done an excellent job of representing the entirety of our district. The district, and who ever might replace him in the future, will benefit by maintaining the character of our district.

If you have any questions for me or if I might be of any assistance to you, please do not hesitate to contact me.
