Grant Parish is located in the House of Representatives District 22 and represented by Gabe Firment. Please consider keeping all of Grant Parish in the same District. Historically, District 22 has been comprised of Grant Parish and LaSalle Parish, and was represented by my grandfather, W.T. McCain, in the 1940's. I believe that people of our Parish have much in common with LaSalle Parish and would also ask that you keep the two parishes in the same District. Gabe Firment has done a great job of representing the values of our parish and we are confident that he will continue to do so. I realize that you are getting pulled in every direction possible. As a rural parish, the representation is extremely important to our successes and gives the best chance to be able to provide the kind of service that the people deserve.
