To whom it may concern,

On behalf of myself and other members of my family living in senate district 22, we ask that you keep our district as it is.

We feel we deserve a close representation of this community's conservative veiws. Rumors have it, that some in the legislator (Mr. Stafanski and others) would like to shift District 22 more toward Lafayette parish which would most likely provide another democrat seat for Lafayette giving them 3 seats.

This would diminish Iberia and st Martin Parishes voice within the state. Please take this into consideration and leave district 22.

Thanks,

Chasse Primeaux
