Dear Members of the Senate and Governmental Affairs Committee:

My name is **Sharon** [REDACTED] and I reside in Louisiana Senate District **4**. I am writing to express my support for Senate Bill #4 which creates two majority Black districts from the current Congressional districts #2 and #5. The courts have ordered this move and I believe it is a reasonable approach. I join with thousands of fellow citizens in supporting the fair representation of all voters, especially in a democracy, and urge each of you to vote in favor bill.
